exte-
rior

/the power of every piece

A wide-angle photograph of a modern residential complex. In the foreground, a person sits on a long, low, light-colored wooden bench that is part of a tiered garden structure. The garden is filled with various green plants and shrubs. In the background, several modern buildings with light-colored facades and dark-framed windows are visible, some with balconies. The sky is blue with scattered white clouds. The overall aesthetic is clean and contemporary.
